“Attitude” Takes Team Images to the Next Level

Tired of the same traditional team picture that you offer year after year? Candid Color Systems can help you deliver a new team image that will impress your customers and give you an edge over your competition. “Attitude” is just one of the latest Level Two styles CCS has to offer. Similar to Candid’s other Level Two styles, “Attitude” is not sport specific and is great for any age group. All Level Two prints are printed on Kodak’s Premium Endura Metallic Paper.

Take your team image to the next level by shooting an edgy and contemporary image that players and coaches get excited about! This panoramic print is shot in one frame. Pose players in a variety of different poses (kneeling, arms crossed, hands on hip, etc.) and with different pieces of equipment. Each print allows you to insert either the team name or slogan to personalize the image. “Attitude” helps you capture the personality of the team and allows you to be creative.

If the traditional team poses are what you are after CCS can also help you take those to the next level as well. “No I” is another Level Two team print. The background is removed and replaced with the team name. By adding the team logo to your account our graphic artists are able to insert the image and make it appear to be printed across the gymnasium floor or grass.

Look beyond an ordinary team picture and consider what else “Attitude” or “No I” can be used for. These unique prints make a great gift to the school, coaches, or sponsors. It is also a great way to highlight the graduating seniors on a team.

Order your samples today for the Fall Sports Season. Contact your Customer Development Representative with any questions (800) 336-4550.
